Tournament Start and Finish Times

Tournaments held Friday through Sunday will begin at approximately 12:00 noon on Friday and all championship games will be concluded by approximately 6:00 pm Sunday. Exceptions to these guidelines include Thanksgiving weekend tournaments, when play will begin at 7:00 am on Friday.

For Saturday through Monday tournaments, held over various holiday weekends, play will begin on Saturday at 7:00 am and all championship games will conclude by 6:00 pm Monday.

Generally, younger teams (mites, squirts, pee wees) begin play earlier each day and will complete their championship games earlier on Sunday or Monday. Bantam and Midget teams will begin later on Friday or Saturday and will play the later championship games on Sunday or Monday.

These guidelines are provided for assistance in making travel arrangements. Please contact us with questions on booking flight times at least three weeks prior to the tournament start date and we will confirm if the flight times may be accommodated. Once the schedule has been released, it is unlikely that we will be able to make changes to the schedule to accommodate flight requests. Plan for success when making flight arrangements; assuming that your team will play in the championship game on the last day of the tournament.

Tournament Divisions / Team Placement

It is our goal at Advanced Tournaments to place teams in divisions which provide the closest match to your team's age and skill level. This goal is made more difficult because age divisions and skill classifications vary from state to state and between the US and Canada. It is possible that your team may play teams that are slightly older or younger than those in your home playing area.

Age Groups

For the 2010-11 season we will use the following USA Hockey based age groups when assigning tournament divisions:

Level	Player Birth Years
Mite	2002 and younger
Squirt	2000 and 2001
Pee Wee	1998 and 1999
Bantam	1996 and 1997
Midget Minor	1995 and 1994
Midget Major	1993 and 1992

Skill Levels

Generally our tournaments will include three basic skill levels. Please check each tournament date and location for age and skill levels offered. As skill level designations vary from state to state and between the US and Canada, we take care to match teams of appropriate skill level, even in cases where the designations are different than your home area. The tournament director is happy to discuss appropriate placement of your team.

House Level – teams chosen through a draft, in which all players within an organization are assigned to a team, with the goal of creating teams of equal skill level, within their own organization, with no players “cut”.

AA Level – generally the “best” or first picked travel team within a Tier II organization. These teams will often consist primarily of “second year” or “major” aged players within the age group. In some cases, Major A teams are also a more appropriate fit for this level.

A Level – generally the second, and possible lower, travel level teams chosen within a Tier II organization. These teams will often consist primarily, but not necessarily exclusively, of “first year” or “minor” aged players within the age group.

B Level – generally the third, or lower, travel level teams chosen within a Tier II organization or teams that are classified as Tier III. Teams at the B levels may often be populated by many players in their first year of “travel” hockey.

The tournament director will place teams within the appropriate skill level to provide the best competitive opportunities for all teams.

Special Note

Michigan “A” teams should be aware that non-MI “A” teams will include second year players. We have extensive experience in placing MI teams and our experience is that MI “A” teams are very competitive with non-MI “A” teams despite differences in classification methods.

Tournament of Champions

Chicago, IL

2010 Tournament of Champions – March 4-6, 2011

Mite thru Midget; House, B, A and AA

(By Invitation: Finalists from 2010-11 Advanced Tournaments Season)

During our 2010-11 Season, Champions and Finalists from all of our tournament locations will be invited to participate in the 2011 Tournament of Champions, which will take place over the March 4-6 weekend in Chicago, Illinois. This will be a great opportunity for your team to finish the regular season with an exciting tournament, featuring other Champions and Finalists from across North America.

In addition to a great hockey experience, the Chicago area offers unlimited options for sightseeing and amusement. Shopping on the “Magnificent Mile”, visiting the many museums and attractions (the Museum of Science and Industry, Shedd Aquarium, Chicago Art Institute, etc.), and sampling the Chicago area’s limitless array of restaurants are just some of the possibilities.

Teams will receive their invitation to the Tournament of Champions just after completion of the tournament in which they were a Champion or Finalist. You may register your team at any time after receiving your invitation.

Tournament Hotels Policies and Procedures

Advanced Tournaments has secured room blocks for all out-of-town teams participating in each of our tournaments. **As a condition of acceptance, all out-of-town teams must reserve rooms through Advanced Tournaments and stay in an authorized hotel.**

Teams will be eligible for one complimentary guest room per night for the team manager, coach or bus driver when a minimum of 15 guest rooms are reserved and paid for by the team per night. (Pay for 15 get the 16th free per night per team.)

Any team whose home rink is greater than 70 miles from the tournament rink will be required to comply with Advanced Tournaments' hotel policies and procedures. Out-of-town teams must utilize a minimum total of 20 hotel room nights during the tournament (as an example, 10 hotel rooms per night, for two nights, would result in a total of 20 hotel room nights during the tournament).

Please do not contact hotels directly as team reservations must be made via rooming lists. Team reservations will not be accepted over the phone. Upon registration, team contacts will receive rooming list forms and instructions to complete the reservation process.

Rooming lists must be completed and returned to Advanced Tournaments no later than approximately **three weeks** prior to the tournament start date. Space in many of the tournament hotels is limited and rooming blocks will be assigned on a first-come, first served basis in the order in which rooming lists are received.

We receive many requests from teams within the same organization wishing to stay together in a single hotel. We make every effort to accommodate these requests and early receipt of completed room lists will facilitate our efforts.

Advanced Tournaments offers an outstanding selection of hotels in each of our tournament cities, chosen to provide comfortable accommodations and first class service to all of our out-of-town guests.

Listed below are several partner hotels for each of our tournament locations. Additional details are available on our website (www.advancedtournaments.com) and team contacts will be provided with a complete package of information on available hotels, with rooming list forms, upon registration.
